Changes to Absence Notification Processes.

There have been recent changes to requirements for students who are absent from school. Schools are now transitioning to an automatic notification to parent/carers of student absence.

Schools now require parents to contact the school on the day their child is absent. From next year we will be required to notify parents and carers if their child has been noted as absent from school.

We ask that all parents contact the school either by leaving a message of the absence line or by emailing admin@logavillss.eq.edu.au before 9:30 am each day.

Behaviour of Adults at School.

With the growth in the school and a number of new families arriving, it is timely to remind everyone of the expectations of behaviour of all community members in and around the school.

I have included below some relevant excerpts from the school responsible behaviour plan to inform every one of the school community’s beliefs and expectations of behaviour.

As a school community we believe that:-

- **Self discipline** is the goal of behaviour management. It is the process of attaining control over one’s personal behaviour as an individual and as a member of a variety of different societal groups. It involves students making conscious choices about appropriate behaviour. The aim of self-discipline is to have self-respect and respect for others and to accept responsibility for one’s own behaviour.

- The gaining of self-control is developmental and requires conscious effort. During this process changing circumstances in children’s lives and environments can influence their progress towards gaining self-control.

- To assist children in the development of responsible behaviour, teachers need to develop clear expectations and routines with children around their behaviour and to be consistent in these expectations.

- Parents have a key role in teaching and guiding children in their behaviour.

- Our school is a key role model of appropriate behaviour.

- In developing a well-disciplined child both proactive and reactive strategies are required. These strategies include teaching children about choices and consequences. They also include developing whole school, class and individual ways to respond to children’s behaviour.

*These beliefs operate effectively in a supportive school environment where:*
all members feel safe and are valued;
all members conduct themselves in a lawful, ethical, safe and responsible manner;
quality engaging curriculum programs are planned and implemented;
interpersonal relationships and the organisation of the school produce worthwhile social and academic outcomes for all;
partnerships between home and school are essential in supporting students to develop positive behaviours;
non-discriminatory, non-violent and equitable actions are practised and reinforced;
a non-confrontational approach is the key to our interaction with all children;
there are proactive steps to encourage self-worth and self-discipline;
there are reactive procedures to deal with various situations that may arise;
there is a graduation of procedures, and all avenues of management are employed prior to the use of suspension and exclusion; and
an acknowledgement that an individual’s circumstances need to be taken into account.

Parents/carers are expected to:

- Support school staff in maintaining a safe environment for staff, students and the school community.
- Demonstrate (model) road safe behaviour and courtesy around the school environment.
- inform the school of information regarding the safety of their child such as:
  - notification for reason of absenteeism / departure from school
  - medication
  - A change of address, contact details and custody arrangements.

Parents/carers are expected to:

- Initiate and maintain constructive communication and relationship with school staff regarding their child’s learning, wellbeing and behaviour.
- Support school staff by maintaining respectful interactions with school staff, other adults in the school community and students.

Parents/carers are expected to:

- Show an active interest in their child’s schooling and progress.
- Promote the value that school is a place of learning with their child.
- Co-operate with the school to achieve the best outcome for their child.
- Contribute positively to behaviour support plans that concern their child.

**Birth Certificates for students starting Prep Year**

Is your child starting Prep in 2017? If your child was born between 1 July 2011 and 30 June 2012 you will need proof of age (such as their birth certificate) to enrol them in school next year.
Don’t leave it until the last minute; apply for a birth certificate now.

The Registry of Births, Deaths and Marriages is encouraging parents to apply for birth certificates for their school-aged children in December to avoid the back-to-school rush.

Parents will need to provide identifying documents, such as a current driver’s licence or passport.
Prep Uniform Colours.

Unfortunately our supplier can no longer supply all of the colours we have had in the past. Purple and Jade will be discontinued once all stock is sold. The new colour emerald will be added to the existing royal blue and red for 2017.

Emerald  Royal Blue  Red

Senior Shirts in 2017.

We have asked our year 5 students to provide some input into the 2017 senior shirt. They have selected the design below as their preferred shirt for next year. The fabric for the redesigned Senior shirts is 100% polyester. We anticipate orders for the new shirt will be taken in term 4 to enable year 6 students to have their shirts early in 2017.
P&C Hub (Old tuckshop) refurbishment.

The old tuckshop is currently undergoing an internal and external refurbishment.

As a result the **Uniform Shop** has had to temporarily been relocated to the previous location (amenities block – last room closest to the library) until the refurb is complete.
The uniform shop will be open on **Tuesday mornings from 8:30 to 9:30.**

**NEW BUILDING UPDATE**
The concrete was poured this morning. Looking good for next stage.

Two more slabs will be poured next week. Columns will then be formed and work will then commence on the upper level slab.
Aussie of the Month.
We had another lovely morning tea this week to celebrate the hard work and great behaviour of these students. Congratulations to the students listed below for their efforts this month.

HAPPY TEACHER AIDE DAY.

A big THANKYOU to all our wonderful Teacher Aides who help your children and their Teachers in so many ways. We are very lucky to have such caring staff at our school.
Year one had a visit from the Queensland Fire and Rescue this week. They had a fantastic time and learned all about how the Officers keep people safe.
Term 3 Behaviour Focuses

To enhance the effectiveness of our Positive Behaviour for Learning 2016, we are implementing a whole school behaviour focus each fortnight (even weeks). These focuses will be presented on assembly, in the newsletter and explicitly taught in every classroom on a Tuesday afternoon (30 minutes). This will enable teachers and parents to effectively communicate, discuss and reinforce appropriate behaviours for both learning and getting along.

<th>School Expectations</th>
</tr>
</thead>
<tbody>
<tr>

</tbody>
</table>

The end of each term is an opportunity for students to reflect on their behaviour choices throughout the term and set goals for the future. It is also the time when we celebrate the achievement of good behaviour choices through our rewards day.

Lost Property

Parents and carers, please discuss with your children the importance of looking after their own property. We have large numbers of jackets (winter clothing) sitting in lost property. Many have no name which makes it impossible for them to be returned to their owner. Please label your child’s belongings clearly. I would also ask that parents check clothing brought home by their children as it has been reported that some children whose clothes have been labelled have disappeared. Any item taken mistakenly can be returned to the office.

Band Practices

Junior Band practices every Thursday morning from 7.50am in the Music Room.
Senior Band practices every Friday morning from 7.50am in the Music Room.
As Band is a team effort, everyone is required to attend. If you have difficulty getting your child to school for band, could you please email Mrs Gordon at jgord33@eq.edu.au or advise via the music Facebook page.

Koala Joeys Oral Language Program

The program will recommence for Term 4 on Wednesday 5th October. Mrs Swift will continue to run this program with our pre-prep aged children from 5 years old. This program will run on Wednesday mornings from 9:30 to 10:30.

Triple P – Seminar Series – Facilitated by Karen Glass (Chappy Karen)
Logan Village State School
FREE – Dates below

A Triple P seminar is a great way to find out the basics of positive parenting. It is packed with simple strategies to help make raising kids easier.

What is the Triple P Seminar Series?
Seminars are relaxed presentations that tackle some of the most common family issues. You can do one, two or all three in the series.

The seminars last 90 minutes each and are called:
- The Power of Positive Parenting
- Raising Competent, Confident Children
- Raising Resilient Children

At the end of each seminar you will take home a tip sheet. It will remind you of all the great ideas you heard.
Seminar Series dates for Logan Village State School
Seminar – Raising Resilient Children
Tuesday 6th September
9.30am to 11am
OR 6.30pm to 8pm

PCYC School Age Care News!

What another great week at PCYC this week. The children are loving our positive behaviour incentive scheme; the children work for “likes” and then go into a weekly draw to win a lucky dip prize.

Every week we put all our children’s ideas into the program and we have also created a menu based on the child’s input and it 100% healthy and nutritious! Here’s what’s on our menu this week 😊
