Semester 1 comes to a close

I would like to thank all staff, students and families for their work this semester to ensure Logan Village continues to be a great place to work and learn. It has been very rewarding reading through student reports to hear of so many students continuing to grow and learn to the best of their ability.

The school is continuing to grow in numbers and with the growth comes the opportunity to meet and get to know new students. It is always very nice for new students coming into our school and to see our students so happy to see them and have the opportunity to make a new friend. I would like to wish all families a safe and happy vacation and look forward to seeing you all in semester 2 to continue to produce ‘Quality Outcomes with our Community.’

2016 Parent Survey

Parent Survey results

We have completed collation of the recent parent surveys and during the next term I would like to share with the community the feedback we have received regarding the school.

We have tried to place responses into categories to give a good overall picture of what our community believe. Below are the responses to questions 1 and 2.

I have added question one results again in table form as the formatting of the graph did not show all responses.

Staff leave

A number of staff will be taking leave for the remainder of the year.

Mrs Melissa Umstad (A/Deputy Principal) will be taking long service leave for all of semester 2. Her position will be filled by Mrs Hayley Hampton. Mrs Hampton has been working at Victoria Point State School for the past 18 months as a master teacher.

Mrs Nan Catchpole will also be taking long service leave for the remainder of the year. Her position will be filled by Mr Matthew Farrell.

Mrs Leah Bates (2/3E) will be on maternity leave. She will be replaced by Mrs Krystal Gray who will be returning from Maternity leave.

Mrs Danielle Gillin (3A) will also be taking maternity leave and her position will be filled by Miss Breanna Lack.

Ms Chantelle Saddler (Prep D) will also be taking maternity leave for the remainder of the year and she will be replaced by Ms Julie Morgan.
Formation of a new class

With the increased growth particularly in the year 2 and 3 area of the school, we have been forced to enrol students and create oversize classes this semester. I recently made application with the department for an additional teacher and was successful in securing another teacher late last week.

I will be creating a new year 3 class, to commence after the winter vacation on July 11. As a result there will be some students from all year 3 classes and the 2/3 class, needing to move into the new class. There will also need to be some students moved from year 2 into the 2/3 class. The additional teacher will allow us to reduce class sizes from 28 down to 23 in all year 2 and 3 classes. Mr Bradley Lucas will be teaching this class. While a change at this time in the year may not be desirable in many cases, the opportunity to have smaller classes in semester 2 is certainly worth the change.

Parents and carers of students affected by the change will be notified prior to the end of term.

New Building

If you have visited the school lately you will have noticed the fencing of the area to commence construction of our new 6 classroom block. There has been significant planning going on in the background and we will finally see the commencement of the works this week. When we return from the vacation we expect to see significant works completed with plumbing and drainage expected to start very soon.

Chappy News

The end of term two is fast approaching and it has been a busy term for me as Chaplain. Chappy Brekkie has become more popular as we run it from the P & C Hub on Thursday mornings feeding over 200 students. We are always seeking more help so if you would like to be a part of helping run “Chappy Brekkie” please don’t hesitate to contact me.

During this term I attended training with Triple P (Positive Parenting Program) to become an accredited Triple P Seminar Facilitator. This will allow me to run the Seminar Series within our local community which is free for parents to attend. The seminar series will cover the topics of “The Power of Positive Parenting”, “Raising Resilient Children” and ‘Raising Confident, Competent Children’. I am looking forward to delivering these in the near future.

As usual, please contact me if you have any concerns for your child or there are issues you wish to discuss. As the school Chaplain I am here to provide support, assistance and a listening ear to students, parents/carers, other family members, staff and anyone in our school community. If you think there’s any way I can help, don’t hesitate to contact me. I am never too busy to chat and always looking for ways to help. I am on site at school on Tuesday and Thursdays. Call me at the school office 5547 2222 or email kareng@chappy.org.au. Have an awesome week, Chappy Karen ☺

Student Learning Enhancement Resource Scheme (SLERS)
Teachers are accessing a range of different types of resources to support the new curriculum. Instead of utilising a range of different text books, where only a minimum amount would be used, more specific educational resources are used to individualise your child’s educational program. These resources stimulate and differentiate learning for all students.
To maximize access to high quality educational resources, we are requesting a $60.00 (Year 1 -6) and ($75 for Prep) payment for every student. This payment should be made to the office once your invoice is received – thank you for your support with this payment, it will make a BIG difference to the delivery of lessons at Logan Village State School this year!
