Newsletter No. 10  22nd July 2016

School Opinion Survey 2016

Dear Parents and Carers,
This week the Annual School Opinion Survey will be conducted. Parents/Caregivers, school staff and a random sample of students are encouraged to have their say in this year's School Opinion Survey by providing their opinions about what this school does well and how this school can improve. Each of the online surveys are currently open and will remain so until Friday, 29 July 2016.

Access details for the Parent/Caregiver Survey have been sent home with students, and parents/caregivers are welcome to complete their survey online at the school. School computers will be available for parents to complete the survey.

If you require access to a school computer please contact the school office.

If you haven’t received any survey access details by the end of this week, please contact the office on telephone 55472222 or email admin@logavillss.eq.edu.au

New staff to Logan Village

I would like to welcome new staff to the school for Semester 2. Firstly I would like to welcome Mrs Hayley Hampton who will replace Mrs Umstad while she is on leave for the remainder of the year.

I would also like to welcome back Mrs Krystal Gray who replaces Mrs Leah Bates on 2/3E. I would also like to welcome Miss Brianna Lack on 3A (replacing Mrs Danielle Gillin), Mr Bradley Lucas on the newly formed 3D, Mrs Julie Morgan on Prep D (replacing Chantell Saddler), Mr Matthew Farrell on 5A (replacing Mrs Catchpole) and Mr Jayden Hayter 6A (replacing Mr Clint Carey). Mr Carey is in the office as HOC.

We welcome back Mrs Roxanne Zornig to the position of Business Services Manager after 18 months working in Facilities Branch.

If one of these teachers is on your child’s class, I would encourage you to come and introduce yourself to ensure that we continue to have good communication between home and school.
Logan Village State School Growth continues
There have continued to be more new students enrolling at the school over the vacation period. The student numbers have increased to 712.

Staff Carpark
The works have been completed with only a few minor finishing touches to be done now. We expect that staff will be able to park in the carpark again by the end of this week. There are additional parking areas in the new carpark as well as a dedicated loading zone and a disabled carpark.
A reminder there is strictly no parent parking allowed in either of the staff carparks.

Free playgroup membership for Queensland families
All Queensland families who register with Playgroup Queensland before their child’s first birthday can now receive a free 12-month family membership as part of the Queensland Government’s Play Stars initiative. With more than 60,000 babies born in Queensland each year, Play Stars will benefit many new families by creating more opportunities for children to learn through play, while supporting parents and carers in their role as first teachers.

The Play Stars initiative is an action from the Advancing education: An action plan for education in Queensland and will be delivered in partnership with Playgroup Queensland over the next five years. Register online or visit the Playgroup Queensland website for more information.

A reminder that all families of students at Logan Village State School are eligible for free membership to playgroup Queensland as well.
We now have 2 playgroup sessions running at Logan Village. One on a Thursday between 9 and 11am and a 2nd session on Friday between 9 and 11am.

We hope that interested families will attend to assist their young children to socialise and transition to school successfully.

Spirit of the Anzac
On Monday 20th June I had the pleasure of accompanying our Year 6 students and teachers to the Brisbane Convention and Exhibition Centre to view the ‘Spirit of ANZAC’ exhibition. The students thoroughly enjoyed the engaging exhibition and behaved superbly. The level of respect and maturity shown by our students whilst at the exhibition was impressive and I was particularly moved by the understanding, compassion and reverence they demonstrated at such a young age. I was very proud of them. It was a great opportunity for me to spend some quality time with our Yr 6 students and was definitely the highlight of Term 2 for me. Thanks for a fabulous day Year 6 Team!
Sheree Maksoud – Deputy Principal

**Phone Support lifeline:** 13 1 14  **Kids Help Line:** 1800 551 800

**Police Emergency:** 000  **Crime Stoppers:** 1800 333 000
Towards the end of the term, the school was visited by our Performance Review Branch and 3 reviewers spoke with staff, students, parents and carers. The review was to provide us with feedback about how the school is performing and to assist us to identify priorities for the next 4 years.

2. Executive summary
2.1 Key findings

- The principal and other school leaders are united and articulate a shared commitment to improvement across the school.

  The school’s Annual Implementation Plan (AIP) details targets, timelines and the responsible officer for each priority. This plan is regularly reviewed at meetings of the school’s administration team. The principal also updates the Parents and Citizens’ Association (P&C), on relevant progress at each meeting.

- The school has a coherent, sequenced plan for curriculum delivery that identifies the consistent teaching and learning expectations across the school.

  A guaranteed and viable curriculum has identified essential areas for mastery in the English and mathematics in the scope and sequence of learnings from Prep to Year 6. The plan has been developed with reference to the Australian Curriculum (AC) and is used to assist teachers to navigate relevant and timely curriculum information.

- Pedagogy at the school is framed around the organiser of Dimensions of Teaching and Learning (DoTL) with a range of eclectic but well researched evidenced based approaches including Marzano.

  The preferred pedagogical model is based on We are learning to (WALT), What I’m looking for (WILF) and the Gradual Release of Responsibility (GRR) model and Whole-Part-Whole. Staff are aware of the preferred pedagogical approach that provides a structure for students to be clear about what they are expected to learn and be able to do.

- The school leadership team is committed to building a school-wide, professional team of skilled staff who understand and are committed to the school’s improvement agenda; as central to improving outcome for all students.

  The school has a large number of newly appointed teaching staff members who speak positively of the support provided to them through year level team planning and also through behaviour support from the leadership team. Staff members report satisfaction with their induction into the school. Teachers value constructive feedback and provide informal feedback to colleagues, and there is some formal mentoring or coaching arrangements in place. The role of the coach in a variety of areas is well accepted and valued by staff.

- School staff members have created a positive culture of learning which is evident across the school.

  There is an emphasis placed on the importance of relationships, and this is evidenced by a respectful, collegial tone in staff interactions, and a commitment to a personalised learning approach to cater for student’s needs. A tone of respectful cooperation and working together is also evident in classrooms in the relationships between staff and students. Students recognise the significant effort that teaching staff give to support their learning.
Academic, Diligence and Citizenship Awards

Last Friday on parade awards were handed to students who have achieved academic excellence, who have worked extremely hard to improve their performance as well as students who have stood out as being committed to our school values, during semester 1. We feel it is important to acknowledge students for their achievement and efforts to be the best student they can be. Big congratulations to all students who received these special awards.

NAIDOC Week

This past two weeks, LVSS students have been fortunate enough to celebrate NAIDOC Week with Chad Briggs, a local Indigenous Artist and Designer. Chad is the artist who painted the beautiful artwork in top undercover area at LVSS. Chad showed students some of the artwork he has created and discussed instruments such as the didgeridoo and important Aboriginal cultural stories. Our students really enjoyed the opportunity to listen to Chad and each had a turn at throwing a boomerang. We would like to thank Chad for his input into our school community.

Let me know if you have any questions, Hayley Hampton Deputy Principal

Year 2 Excursion to Numinbah Valley Environmental Education Centre

12th August - 2C, 2D and 2’s in 2/3
15th August – 2A and 2B

Numinbah Valley EEC is located at 1721 Nerang-Murwillumbah Road in Numinbah Valley. Our Year 2 students will be visiting the education centre for a camp day to consolidate what they have been learning in Science this term. The name of the program is called Good To Grow. The children will take part in the following activities –

1) Forest Walk – They will learn about the bush and its animals and explore why the bush is an important part of our environment.

2) Creature Feature – They will learn about local animals and their habitat. They will come face to face with a variety of animals including a python, lizards and even a scorpion!

3) Plant Propagation – Learn about the environment and why it is important to look after it through propagation seeds and planting native plants.

Please be at school by 7.45am to depart at 8.00am and 3.00pm return
Towards the end of last term, two teams made up of year five and six students with one year four student represented Logan Village State School at the Readers’ Cup (Brisbane West). Students were required to read five designated novels over eight weeks and then participated in an inter-school team quiz with questions based on what they had read. There was some pretty fierce competition from some pretty prestigious schools but our students were wonderful representatives of Logan Village State School and deserve to be very proud of their efforts.

While they came 11th, I pointed out to Team 2 that they were actually only 7 points away from first place and they were very proud of themselves. The members of team one were also deservedly proud of their efforts and are keen to improve on their results next year. Both teams had only good things to say about the yummy cake that was served for morning tea!

One of the highlights of the morning for me was when Lachlan, the only year four student in the competition, confidently volunteered to talk on the microphone in front of over 120 students and their parents to discuss his favourite books.

Perhaps my proudest moment, however, came when Samantha Wheeler, the master of ceremonies and author of one of the books, asked students if anybody knew something interesting about wombat poo. (Wombats are the subject of her next book.) A lone hand shot up and a Logan Village student confidently answered that wombat poo is cubic in shape. Ms Wheeler (and the entire audience) was very impressed that somebody was able to answer that particular question. I certainly had learned something new. Thank-you, Emily and congratulations once again to all participants on a job well done!

Melissa Conway

**Term 3 Behaviour Focuses**

To enhance the effectiveness of our Positive Behaviour for Learning 2016, we are implementing a **whole school behaviour focus each fortnight (even weeks)**. These focuses will be presented on assembly, in the newsletter and explicitly taught in every classroom on a **Tuesday afternoon (30 minutes)**. This will enable teachers and parents to effectively communicate, discuss and reinforce appropriate behaviours for both learning and getting along.

</tr>
</tbody>
</table>

**Band Practices**

Junior Band practices every Thursday morning from 7.50am in the Music Room. Senior Band practices every Friday morning from 7.50am in the Music Room. As Band is a team effort, everyone is required to attend. If you have difficulty getting your child to school for band, could you please email Mrs Gordon at jgord33@eq.edu.au or advise via the music Facebook page.
Koala Joeys Oral Language Program

The program will recommence for the 2016 school year in week one of term 3. Mrs Swift will continue to run this program with our pre-prep aged children from 5 years old. This program will run on Wednesday mornings from 9:30 to 10:30.

Chappy News

Triple P – Seminar Series – Facilitated by Karen Glass (Chappy Karen)
Logan Village State School
FREE – Dates below

A Triple P seminar is a great way to find out the basics of positive parenting. It is packed with simple strategies to help make raising kids easier.

What is the Triple P Seminar Series?
Seminars are relaxed presentations that tackle some of the most common family issues. You can do one, two or all three in the series.

The seminars last 90 minutes each and are called:
- The Power of Positive Parenting
- Raising Competent, Confident Children
- Raising Resilient Children

At the end of each seminar you will take home a tip sheet. It will remind you of all the great ideas you heard.

Seminar Series dates for Logan Village State School

Seminar - The Power of Positive Parenting
Tuesday 9th August
9.30am to 11am
OR 6.30pm to 8pm

Seminar – Raising Confident, Competent Children
Tuesday 23rd August
9.30am to 11am
OR 6.30pm to 8pm

Seminar – Raising Resilient Children
Tuesday 6th September
9.30am to 11am
OR 6.30pm to 8pm

For more information contact Karen Glass 0403 363 996 or logon to REGISTER
Search Logan Village to find seminar details above.

Go to http://www.triplep-parenting.net.au/qld-ucken/find-help/check-our-calendar/

Student Learning Enhancement Resource Scheme (SLERS)

Teachers are accessing a range of different types of resources to support the new curriculum. Instead of utilising a range of different text books, where only a minimum amount would be used, more specific educational resources are used to individualise your child’s educational program. These resources stimulate and differentiate learning for all students.

To maximize access to high quality educational resources, we are requesting a $60.00 (Year 1 -6) and ($75 for Prep) payment for every student. This payment should be made to the office once your invoice is received – thank you for your support with this payment, it will make a BIG difference to the delivery of lessons at Logan Village State School this year!

Payment Methods

Money days are Monday, Wednesday and Friday mornings.

- In person at Logan Village State School
- Cheque payable to Logan Village State School
- Direct Deposit to school account ……..BSB 064-401
- Account 00090017
From today, we commence the School Run 4 Fun Fundraising Program which is as a major fundraiser this term so we do ask for your support. The event will take place on 15\textsuperscript{th} August for Senior school and 16\textsuperscript{th} August for Junior school. All funds raised will be used for the students.

Students have now received a poster size Superhero Sponsorship Form with a great selection of toy brands including Apple, GoPro, Razor, Star Wars, Monster High, Nerf just to name a few. This form will assist with collecting sponsorship donations on behalf of the school.

Students who raise as little as $10 or more will receive an incentive prize for their efforts. The greater amount of sponsorship donations you receive the better prizes you can choose.

Inside the Sponsorship Form you will find helpful tips on how to raise money for the school as well as other benefits such as the chance to win a family holiday staying at Sea World Resort & Water Park on the Gold Coast including entry to the major theme parks and the choice of either $1,000 spending money or a $1,000 Virgin Australia Gift Voucher.

**STUDENT PROFILE PAGE**
Create your student profile page today at [www.australianfundraising.com.au/profile](http://www.australianfundraising.com.au/profile) You can record your fundraising goal and your preferred prize and keep track of the prizes you are entitled to based on the amount of sponsorship donations you receive. You also have the option to register for online fundraising and enter the Gold Coast Family Holiday Promotion.

**ONLINE FUNDRAISING**
A new way to help your child reach their fundraising goal is through online fundraising. Students who use online fundraising raise on average $120. Connect with family and friends in Australia and abroad simply by sharing your unique fundraising page link when you register for online fundraising.

Also, students who raise $20 or more in online donations will also receive a BONUS PRIZE of a sneaker keyring. How cool is that?

Once the fundraiser is complete, please ensure to fill out the prize request section on the back of the Sponsorship Form and return to the School Office along with your money inside an envelope clearly marked with your child’s name and class. The incentive prizes will be delivered shortly after.

We would also like to welcome parents and family members to attend the event day to help cheer on the students.

Thank you in advance for your participation. Happy fundraising!

Jenny Burr
Student Council
We had a fabulous first week at PCYC. The children and staff had a great time getting to know each other and playing with all our new equipment!

Some highlights for us were;

- Cooking in the kitchen- we made quiche, corn fritters, pikelets, muesli slice and chicken wraps PLUS they were all healthy!
- Board and Card Game Battles- snakes and ladders, Trouble, Twister, Uni and Disneytopia were the favourites
- Arts and Crafts- making masks, boat construction, self portraits and mandala colouring in
- Imaginative Play- dolls, cars, dinosaurs, home corner and dress ups
- Playdough- we have some very creative children

We are looking forward to getting some new children involved and we are keen to play some outdoor games and sports!

This week we have put all our children’s ideas into the program and we have also created a menu based on the child’s input and it 100% healthy and nutritious!

We provide:
- Before School Care
- After School Care
- Vacation Care
- Breakfast and afternoon tea (healthy and delicious)
- Reasonably priced care
- Child Care Rebate and Child Care Benefit Approved

What Activities Can We Expect To See?

- Arts and Crafts, Playdough Board games, Uno / card games, Puzzles, Dress Ups, Imaginative play; kitchen or home including dolls, Imaginative play with cars and dinosaurs, Construction; lego, mobile, wooden blocks, Hama beads and geometric boards and blocks, Music, Outdoor games, Cooking/ baking, Team building exercises, Many more fun things!

We offer very affordable prices ($14 for BSC and $18 for ASC **before** any of your Centrelink rebates are applied)

If you are interested in finding out more please come visit Kristy in the hall (6:30-9:00am, 2:30-6:00), contact via email at loganvillagesac@pcyc.org.au, or via phone on 0472 833 568. Online enrolment forms can be filled out at [https://loganvillagepcyc.hubworks.com.au](https://loganvillagepcyc.hubworks.com.au)
Marsden State High School

All Year 6 Students and Parents are welcome
Year 6 Subject Showcase and Enrolment Evening
Wednesday 3rd August 2016 3pm to 5:30pm
Location X Block, Level 1

The evening will showcase the superior opportunities we have to offer with

- School Tours
